addressing themes such as politics

This digital collection is an unparalleled resource for the study of American social and cultural history, providing immediate access to rare primary source material from the Sallie Bingham Center for Women's History, Duke University and The New York Public Library.

It comprises thousands of fully searchable images (alongside manually double-keyed transcriptions) of monographs, pamphlets, periodicals and broadsides addressing 19th and early 20th century political, social and gender issues, religion, race, education, employment, marriage, sexuality, home and family life, health, and popular pastimes.

race

gender

Key Features

- Full-text search
- No overlap with Gerritsen, Shaw-Shoemaker and other such digital resources
- Minimal overlap with texts in the History of Women microfilm project
- Highly accurate transcriptions in the original layout available for every page
- Archival back-up on DVDs with all the images, HTML transcriptions and XML code
- MARC21 records provided

“Everyday Life & Women in America makes a number of periodicals widely available for the first time. With offerings ranging from small regional magazines to selections from larger national magazines, the project gives users a snapshot of the lively and diverse nineteenth-century periodical culture. Anyone interested in popular culture, women’s history, or literature will find treasure in *Everyday Life & Women in America*.”

Dr Amy Blair,
Consultant Editor
English Department, Marquette University
